For customers who have not yet paid a deposit, or who are not using our removal services, (Delivery to the local area will incur a £10.00+VAT delivery charge in this instance).

New Boxes bought but unused: We can refund the full value of any new boxes purchased that are unused, as long as these are given to our porters at the loading address or are brought back to our depot. In the first instance, please ensure that the porters highlight the quantity of returned boxes on their jobsheet, otherwise you may not get your refund.

Wardrobe Cartons: These come with hanging rails and are used for transferring your wardrobe clothes. They are included in the removal price and are brought on the day of your removal. Please contact our office for further details.

Metal Hanging Rails: We stock a range of high quality, durable hanging rails, which are available for rent or purchase. We can provide a one off delivery of these to you free of charge provided you have booked and paid your deposit for removal with us and you live within a 15 mile radius of our depot (This would have to be completed at the same time as any box delivery).
